

## CLIPBOARD FOR TROLLEYS

**A thin and lightweight clipboard that will follow you wherever you go.**

### Product description:

- Aluminium composite clipboard with protective varnish.
- Large capacity flat clamp.
- Hanging hole.
- Two pen slots.
- Can be positioned vertically or horizontally.
- Delivered with a plastic bracket clamp for mounting on a tubular bar.
- Bracket equipped with an adjustable tilting head, a reducing collar and an anti-slip rubber.
- For documents up to A4 size.

### Unique selling points:

- High-end and modern design.
- The lightest aluminium clipboard on the market: at equivalent rigidity is 65 % lighter than steel or 30 % lighter than solid aluminium.
- Extremely thin but extremely rigid!
- Made with 80 % recycled aluminium.
- Surface protected from daily wear and tear.
- The clipboard can be clipped on and off the bracket at will.
- Mounts vertically or horizontally for portrait or landscape note taking.
- Flexibility of use: unlike other systems, the attachment is non-permanent, the clipboard can be used directly on the bracket or carried by hand.
- The clipboard can be detached, suspended or stored when not in use.
- Its size, designed to support the wrist, allows you to take notes all the way down to the bottom of the sheet, whether in portrait or landscape.
- Can be personalized with a digital print!

### Use:

- Suitable for use on tubes from 20 to 30 mm.
- Ideal in warehouses and factories for use on serving, transport and tray trolleys.
- For comfortable note-taking on the move during inventories, stock management, order picking, quality checks, company audits, checklists, etc.

### Technical characteristics:

- Clipboard made of 1.2 mm thick aluminium composite panel with PP core.
- Clear lacquer coating.
- Size: 240 x 330 mm.
- Bracket made of ABS.

- Mounting: the adhesive female part is attached to the clipboard, which can then be clipped onto the bracket clamp fixed to a tubular support.
- Made in France.

**Packaging:**

- 1 piece per box with insert and leaflet.
